Dear [redacted]

STATINTL

I am writing to request that your organization participate in the 1979 Hope College Washington May Term. The seven participants in the May Term have a variety of academic interests, but most of them are particularly interested in political science.

The May Term course involves group interviews of a variety of persons at two to four organizations involved in a particular area of public policy. We have found that this gives the student a "feel" for the issues and an appreciation of different viewpoints.

At present we are planning to look at the uses of intelligence in arms control. We would like to visit and interview at your organization's office on May 30, 1979 from 4:00 - 5:00 PM. It is my understanding that this time and date are convenient for you. Please contact me at my address below in the event of a conflict. The Director of the May Term, C.W. Gossett, will be contacting you about a week in advance to finalize arrangements.

Thank you for your consideration of this request and I know that the group hopes to be able to visit your office.

Sincerely,

Jack E. Holmes  
Associate Professor of  
Political Science

Local address:

P.S. If you have any background material (article length or shorter) that you would like the students to read prior to the interview, please mail it to C.W. Gossett, Department of Political Science, Hope College, Holland, MI 49423.
